STOP A MOMENT PLEASE

AND READ THIS TESTIMONIAL written by Albert Hampton, Radnor, W. Va. "I write for the interest of the ones who are suffering with catarrh, for catarrh is a disease that I have experienced. For eight years I suffered with the dreadful malady. Doctors pronounced that I would have consumption in a short while and I really thought so myself. And I kept using anything and everything that was recommended for catarrh, but gave up all hopes, when a friend of mine wanted to sell me a box of W. D. Fitzpatrick's Catarrh Remedy. I said no, I'll not buy it. I have used so many remedies that were worthless it makes me doubt all the rest. My son was present and he said, 'Father, if you will use it I will pay for it.' I agreed to the proposal, and began using it, and I soon felt that I was receiving good results. I continued on until I used the box nearly up and now I am well. I cannot praise the W. D. Fitzpatrick's Catarrh Remedy too highly. I trust those who have lost faith in other remedies like I had will try W. D. Fitzpatrick's Catarrh Remedy. Send today and give it a trial. Don't neglect yourself, because I urge that catarrh at any time is liable to assume dangerous characteristics." Put up in liquid and powdered form. 25c, 50c, \$1.00 sizes. LOST APPETITE AND HOPE

Neglected Cold Caused Complication, Promptly Restored by Peruna.

Mrs. Rosa Boyer.

Mrs. Rosa Boyer, 1431 Sherman Ave., Evanston, Ill., writes: "If any one has reason to praise Peruna it is surely myself. Last spring I became so run down from the serious effects of a lingering cold, that several complications united in pulling me down. I could neither eat nor sleep well, and lost flesh and spirit. I felt as if I tried Peruna and it did wonders for me. In two weeks I was like another person, and in a month I felt better than I ever had before."

"I thank Peruna for new life and strength. I send you two pictures, so you can see what Peruna has done for me."
